Friday Three-Hour Sales

CONCERNING FRIDAY SPECIALS. We started these Three-Hour Sales over nine years ago and have since maintained them successfully with no intervals. We were the pioneers and originators of the cut-price Friday, which has been copied in every city of the United States and has made what was originally the poorest day in the week, admittedly, one of the best.

We do not claim that in our Three-Hour Sales we made the first attempt ever made in Boston to turn Friday into a bargain day; and up to this time only one of the department stores has tried to take the honor from us. We believe there is room and good business for all the department stores in the city, and each has its distinctive advertising features; but it is hardly playing the game fairly to rob another house of the credit that is its due.

Prices today will demonstrate the reason why we have been so successful on Fridays.

CURLEY THANKS THE AMERICAN

The following letter has been sent to 'THE BOSTON AMERICAN' by Martin P. P. Carley, Senator-elect from the Eighth District:

No single factor contributed more to my victory in the Eighth Senatorial District than the generous support of the BOSTON AMERICAN.

The self-interest and pleasure of victory is emphasized by the knowledge that the risk and life of the democrats of the District stood bravely by the nominee of the party and that the columns of your great paper were generously given to our cause. I feel proud and gratified.

Very truly yours,
MARTIN P. CARLEY
